Re: ***PRA Request dated December 29, 2018***
Extension Letter

Dear Mr. Sinyangwe:

Best Best & Krieger LLP represents the City of Pomona (the "City"). The City received your Public Records Acts ("PRA") request dated December 29, 2018, for the following records:

- The total number of police use of force incidents, by type of force used, between 2013-2017 (separated by year).
- The total number of people that police used force against, between 2013-2017 (separated by year).
- The total number of police use of force complaints reported between 2013-2017 (separated by year).
- The total number of police use of force complaints sustained between 2013-2017 (separated by year).

The City believes it has records responsive to the request. However, pursuant to Government Code section 6253(c), the City needs additional time to search for and collect these records. The City, therefore, will provide a more definitive determination as to the availability of these records and their dates of production on or before January 22, 2019.

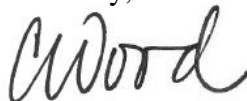

Additionally, as the scope of potentially responsive records becomes more clear, the City may need some clarification as to the records requested and the time frame covered by the request. I will contact you to discuss any such clarification before January 22, 2019.
